Property Site Control

If you are currently leasing, please complete and attach, under other attachments, the property owner's permission to move forward with the audit/project. The appropriate form can be downloaded and printed from the funding opportunity, under attachments. (If you are requesting an energy audit, have the property owner complete the ENERGY AUDIT consent Form. If you are requesting funding in support of implementing an energy efficiency project, have the owner complete the ENERGY EFFICIENCY PROJECT consent form).

If you select other, please explain below.

Energy Audit

If you answer "yes", you have already completed an energy audit, attach a copy of the energy audit under other attachments.

If you answer "no," please be aware that, should your business be selected for this program, the first action required may be the completion of an energy audit on your building. Commercial business will pay for 50% of audit costs and nonprofit organizations will pay 25% of audit costs.

Have you already completed an energy audit on your building

Energy Types Used

Energy Use and Cost
